

What's What in Auto Tools

Make friends with this page. Make CUSTOMERS with it. A glance at the numbers shown below will tell you you need it AT YOUR RIGHT HAND CONSTANTLY to take care of your immediate calls, the calls that will come BEFORE you can receive our catalog.

We are the LARGEST MANUFACTURERS OF AUTOMOBILE TOOLS in the United States. Buffum Auto Tools have been designed by automobile experts. The best ideas of these engineers and mechanics give to Buffum Auto Tools a perfection beyond rivalry. In these tools you get DETAIL PERFECTION. The purchaser ordinarily understands that the name "Buffum" on a tool guarantees everlasting satisfaction. Buffum Auto Tools are made of the very best of Tool Steel, unless otherwise specified, and can be had in a range of styles and sizes covering ALL AUTOMOBILE CONSTRUCTION, CARE AND REPAIR. Make sure of this page. Mark it, memorize the page number or paste it on a piece of cardboard and hang it up where all your sales people and your purchasing agent can have easy access to it.

For Today and Tomorrow Needs

Before you get our catalog—ORDER DIRECT FROM THIS ADVERTISEMENT. It is prepared so as to serve your convenience. Write at once, giving catalog numbers and descriptions and we'll take care of you promptly. The prices given below are the regular retail prices. Be sure to get our discounts to dealers. You can show this page to your customer if there is any question as to what he wants. All our goods are very CAREFULLY INSPECTED before they leave our factory and are shipped in nice packages, generally one tool to a package.

The POPULARITY of Buffum Tools in the automobile trade justifies you in laying in a stock to take care of RUSH ORDERS. All up-to-date dealers carry our line because they realize we include several important BUSINESS ASSETS with every shipment of Buffum Tools. Think "Buffum" and you can never go wrong on auto tools.
